## THE SEOUL RESOLUTION FOR FEDERATING OF NURSING SCHOOLS IN ASIA-PACIFIC AREA

We, participants in the Asia Pacific Traditional Nursing Conference, hosted by College of Nursing Science, Kyung Hee University, which takes place in Seoul, Korea from May 20 to May 21, agree to form "Federation of Nursing Schools in Asia-Pacific Area" in order to strengthen the cooperation of the Traditional Nursing in Asia Pacific area.

The above schools exchange the opinions and agree as followings:

1. Participants in this resolution will use their best efforts to organize Asia-Pacific Traditional Nursing Conference. The inaugural conference will be held in Kyung Hee University, Seoul, Korea from May 20 to 21, 2004.
2. Asia-Pacific Traditional Nursing Conference which will be held hereafter, will focus on finding out and enlightening the traditional nursing remedies and its academic studies in order to re-establish the identity and prospect the future of traditional nursing in Asia-Pacific area.
3. Asia-Pacific Traditional Nursing Conference will be ongoing mutual conference. Five schools proceed with Asia-Pacific Traditional Nursing Conference under the intention of mutual academic exchanging and growing together, and hold the conference every 2 years in turn upon deliberation.
