

**Agreement
For Academic Cooperation and Exchange between
Chulalongkorn University Faculty of Medicine
and
China Medical University College of Medicine**

Chulalongkorn University Faculty of Medicine in Thailand and China Medical University College of Medicine in Taiwan agree to enter into a formal exchange agreement based on the foundation of mutual trust for the mutual benefit and development of the two institutions and the promotion of international understanding and goodwill.

1. The two institutions will jointly develop some or all the following activities based on their respective academic, educational and technical needs:
 - a. exchange of research and scientific materials, publications and information
 - b. organization of joint academic activities such as conferences and seminars
 - c. organization of joint research programs
 - d. exchange of students
 - e. exchange of research scholars
 - f. exchange of cooperation deemed appropriate by both institutions
2. The implementation of exchange based on this agreement shall be separately negotiated and determined by both institutions.
3. Nothing shall diminish the full autonomy of either institution, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the agreement.
4. This agreement is subject to revision or renewal by mutual agreement. It is also understood that either institution may terminate the agreement at any time, although such action will be taken after mutual consultation in order to avoid any possible inconvenience to all parties.
5. This agreement is effective when representatives of both institutions have signed and dated the document and shall remain effect for a period of five (5) years from the date of the last signature.
