

Pilot Overseas Internships

Introduction

The pilot overseas internships, sponsored by the Ministry of Education Taiwan, is intended to subsidize those students to gain experiences in an overseas enterprise or professional institute. Those students are selected by their university. The goal of the program is to give recipients opportunities to conduct practical training in an overseas enterprise or institute and extend their vision.

Eligibility

The applicant must be a citizen of the Republic of China (Taiwan).
The applicant's language proficiency must be approved by his/her university.
The applicant must satisfy requirements of his/her university.
The applicant must join a group organized by a faculty member in a university.
The faculty member must propose a project of practical training to the university.

Award

The internship includes return flight tickets and living expense of group members including the faculty member. A university has to subsidize a recipient 20% of the total amount offered by the Ministry of Education.
