

Agreement of Academic Exchange and Cooperation

between

China Medical University, Taiwan and Pusan National University, Korea

China Medical University, Taiwan and Pusan National University, Korea, to develop academic exchange and cooperation program in education and research, have agreed to the following:

1. Based on the principle of mutual benefit and respect for each other's independence, the two institutions will foster:
 - a) Faculty and administrative staff exchange;
 - b) Student exchange at graduate level and undergraduate level;
 - c) Joint research activities;
 - d) Exchange of academic materials; and
 - e) Other academic exchange to which both universities agree.
2. The implementation of each program based upon this Agreement shall be negotiated and agreed upon by both institutions under a separate agreement prior to the initiation of the particular program.
3. It is implicit that each and every activity undertaken under this Agreement is approved by the appropriate officials at each institution and falls within each institution's academic and fiscal constraints. The results of the cooperative researches including but not limited to any newly produced intellectual rights shall be operated earnestly and fairly through due consultation between the two institutions.
4. This Agreement shall be effective on and after the date of its signing by the authorized representatives of the two institutions, and shall remain in force until terminated by either institution by notification. The notification for termination of this Agreement shall be made not later than six months prior to the termination date. This agreement may be modified at any time after due consultation between the two institutions.
