

**MEMORANDUM OF UNDERSTANDING
BETWEEN
COLLEGE OF PUBLIC HEALTH,
CHINA MEDICAL UNIVERSITY,
TAIWAN
AND
COLLEGE OF HELATH SCIENCES,
GHANA UNIVERSITY,
GHANA**

This Memorandum of Understanding is made between College of Public Health, China Medical University and College of Health Sciences, Ghana University.

1. Both institutions hereby agree to encourage academic cooperation through research and study in furtherance of the advancement of learning as stated below:
 - (a) To encourage visits by faculty from one institution to the other for the purpose of engaging in research;
 - (b) To facilitate the exchange of qualified students from one institution to the other for the purpose of enrolling in undergraduate and graduate programs, and in the case of advanced graduate students, participating in research;
 - (c) To foster the exchange of academic publications and scholarly information; and
 - (d) To promote other academic activities which enhance the above mentioned goals.
2. Both institutions acknowledge that the visit by faculty and students from one institution to the other shall be subject to the entry and visa

regulations of Taiwan and Ghana and shall comply with the regulations and policies of China Medical University and Ghana University.

3. Both institutions agree that all expenses, including research material, international and domestic travel, per diem, honoraria and all other costs, shall be the responsibility of the participating scholars and determined on a case-by-case basis. However, each side will make its best efforts to make available institution accommodation to visiting faculty and students.
4. Both institutions agree to review this Memorandum of Understanding after five years following the date of signing, and acknowledge that this Memorandum is subject to revision and termination at any time by mutual consent or by 90 days' written notice by either party.
5. Both institutions agree that this Memorandum of Understanding is incorporated into, and will provide the foundation and framework for, projects developed by academic and administrative units from the two institutions and documented in other subsequent Agreements.
