

Agreement on International Program of Exchange
Between
College of Health Care, China Medical University, Taiwan
and
Graduate School of Biomedical & Health Sciences, Hiroshima University, Japan

College of Health Care, China Medical University, Taiwan and Graduate School of Biomedical & Health Sciences, Hiroshima University, Japan hereby agree to establish an academic and educational exchange agreement in order to promote mutual understanding between the two countries and between the two institutions through educational and academic collaboration and exchange, and to contribute to the advancement and progress of learning.

Contents of the Exchange Programs

1. Both institutions agree to cooperate in the following areas:
 - (1) Promotion of joint research
 - (2) Exchange of faculty members and administrative staff
 - (3) Exchange of undergraduate and graduate students
 - (4) Exchange of research outcomes, academic publications, and other academic information
 - (5) Other academic and educational exchange programs approved as suitable by both institutions

Implementation of the Exchange Programs

2. The areas listed above shall be implemented following mutual consultation.

Term of the Agreement

3. This agreement shall become effective when the representatives of both institutions sign below and shall remain effective for five years. The agreement shall be automatically renewed at the end of the five-year term unless one or both of the institutions propose otherwise.

Revision and Termination of the Agreement

4. Both institutions shall send written notice and consult with each other at least one year prior to revision or termination of the agreement.

Should any questions on any part of this agreement arise, both institutions must consult with one another to find a solution.
