

**Sub-Agreement for Student Exchange between
Chulalongkorn University Faculty of Medicine
and
China Medical University College of Medicine**

In support of the Agreement between Chulalongkorn University Faculty of Medicine and China Medical University College of Medicine, signed on 1 March 2018, both institutions agree to send their medical students to the other party for clerkship to further promote academic and education exchange. The Office of International Affairs, Faculty of Medicine, Chulalongkorn University and the Office of Global Affairs, China Medical University, will be respectively designated as authorized representatives of each party, and they will be responsible for the contact and implementation of the exchange program included in the sub-agreement.

1. The purpose of the exchange program:
 - i. to promote interests in the teaching and research activities of the respective partner institutions, based on the principle of equality and mutual benefit, and
 - ii. to deepen the understanding of the cultural, economic and social environments of the other country.
2. Definition of the exchange students:
 - i. Exchange students from Chulalongkorn University refer to the students from the Faculty of Medicine.
 - ii. Exchange students from China Medical University refer to the students from the College of Medicine
3. Student exchange:
 - i. A maximum of 2 medical students from each party will be accepted yearly, by the respective partner institution for a 4-5 weeks' period of clerkship.
 - ii. Each party will provide tuition waivers and free registration for the exchange students.
 - iii. The exchange students will pay their own travel expenses, accommodation, insurance fee and other costs for their stay at the host institution.

Upon approval by each institution, this agreement shall remain in effect for five years from the date of signing.
