About **33,000 students** and **4,000 researchers and faculty staff** from close to **100 countries**

QUICK FACTS

- Research-intensive public university
- Strengths in engineering, science, business, humanities, arts, social sciences, education, international studies and medicine
- Partnerships with the world's leading technology companies such as Alibaba, Rolls-Royce, BMW Group, Volvo and Delta Electronics

COSMOPOLITAN ISLAND, BIG DREAMS

Global business hub
Singapore is a **business epicenter** in the heart of Asia

Multicultural, multilingual, multireligious

Our resident ethnic makeup predominantly comprises the **Chinese, Malay, Indian, Eurasian** and **Peranakan** (Straits-born people of Chinese and Malay/Indonesian heritage) communities.

Among world's best
The Singapore economy is known as **one of the freest, most innovative, most competitive, most dynamic and most business-friendly.**

Little red dot
At **682 km²**, Singapore's land area includes as many as **62 offshore islands** that surround the main island such as Sentosa, Pulau Ubin, St John's Island and Sisters' Islands. More island hopping!

WHAT STUDENTS SAY

It was amazing! One of the best programmes I've ever attended! Chose this programme for the Cultural Intelligence class, so I really like the good chance to combine cultural mix with my degree.

- Mate Orsolya Anna
University of Hull

Great experience! Met a lot of people and gain intercultural experience. The mixture of learning and travelling to explore a new country and culture is great!

- Sayangan Ravi
ZHAW School of Management and Law

It's nice to be able to have time out of class to explore Singapore!

- Sissel Johansen
BI Norwegian Business School
