

**MEMORANDUM OF UNDERSTANDING:
GRIFFITH UNIVERSITY, SCHOOL OF MEDICINE and DENTISTRY
AND
CHINA MEDICAL UNIVERSITY, SCHOOL OF DENTISTRY**

On behalf of Griffith University Dentistry, Dean Robert M. Love and on behalf of China Medical University, School of Dentistry, Dean Lih-Jyh Fuh agree that cooperation between these two institutions would foster coordinated dental education, student and fellow training and faculty research collaborations of mutual interest in the areas of clinical dentistry and dental research. Cooperation will include between these two institutions, to complement their respective areas of expertise and to enhance their mission for the advancement of dental research. Such interactions may include:

1. Exchange of faculty across the spectrum of dental sciences through sabbaticals.
2. Exchange of research fellows and students observers.
3. Joint access to research materials.
4. Short-term visits for lectures, conferences, workshops, and seminars.

It is understood that details of the joint activities, conditions for utilization for the results achieved, and arrangements for specific visits and exchanges will be negotiated for each case. The parties will enter into specific written agreements hereunder to clarify and define the nature of the terms of operation for the collaboration and cooperation between the including academic terms, intellectual property ownership, and funding. These agreements will require the approval of appropriate university officers.

This Agreement will be valid for a period of six (6) years from the latest date appearing below. It may be renewed for additional period of six years if both institutions agree in writing, unless terminated by one of the parties with no less than a six month notice. However, no terminations should adversely interrupt or impair a course of study.
