

MEMORANDUM OF AGREEMENT

BETWEEN CHINA MEDICAL UNIVERSITY AND HO CHI MINH CITY UNIVERSITY OF TECHNOLOGY (HUTECH)

I. Introduction

The two institutions herewith enter into a Memorandum of Agreement to enhance the relationship between them and to possibly develop collaborative undertakings in the years to come. This agreement is intended to help facilitate a meaningful and mutually beneficial relationship between the two institutions.

II. Purposes

Both China Medical University and HUTECH wish to pursue a collaborative relationship to the greatest extent possible through student exchanges, research and training programs.

III. Specific Activities

The two institutions may develop specific activities to implement the mutual understanding set forth in this agreement. These shall in every case be subject to mutual consent and the availability of adequate resources, and shall be set forth in supplementary sub-agreements or protocols.

IV. Communication between the Institutions

Both institutions shall communicate with each other on a need basis, for China Medical University through its Office of Global Affairs/Department of Physical Therapy and Graduate Institute of Rehabilitation Science, and for HUTECH through its CIRTech.

V. Duration of the Agreement

The agreement shall take effect upon approval by both parties and shall remain in effect for an initial period of five years. Thereafter it shall be automatically renewed from year to year; however, after the initial period either university may terminate the agreement at the end of a given year by providing six months' notice in writing of such intent. Termination of the agreement will not affect faculty or students from either institution participating in an exchange so that they may complete the agreed-upon duration of their participation.
