

MEMORANDUM OF UNDERSTANDING (MOU)
between
Faculty of Traditional Medicine,
Can Tho University of Medicine and Pharmacy, Vietnam
and
College of Chinese Medicine,
China Medical University, Taiwan

Article I. Parties and Purpose

The College of Chinese Medicine at China Medical University (CMU), located in Taichung, Taiwan; The Faculty of Traditional Medicine at Can Tho University of Medicine and Pharmacy, located in Can Tho, Vietnam (each a “Party” and collectively the “Parties”) agree to establish and conduct mutually agreed cooperative and collaborative projects, programs, and/or activities that will enhance the programs of each Party. The purposes of cooperation are to promote mutual interest in educational excellence, academic ties, and research collaboration, as well as to deepen the understanding of economic, cultural, and social issues affecting both Parties.

Article II. Areas of Cooperation and Collaboration

The College of Chinese Medicine at CMU and the Faculty of Traditional Medicine at Can Tho University of Medicine and Pharmacy agree to establish and conduct projects, programs, and/or activities as deemed appropriate in one or more of the following general areas. Specific details of each will be defined by mutual agreement in writing as an “Addendum.” Potential areas of cooperation/collaboration include, but are not limited to:

1. Collaborative educational programs and activities;
2. Conducting research and other scholarly activities in disciplines and on subjects of mutual interest and benefit;
3. Implementing faculty, staff, and student exchanges, training, and related activities;
4. Carrying out planning and institutional development;
5. Preparing and submitting grants, contracts, and other proposals to obtain resources to support collaborative activities;
6. Other activities may be mutually agreed upon.

Article III. Implementation of Collaborative/Cooperative Projects, Programs and Activities

Specific details of any cooperative/collaborative activities to be conducted will be described and agreed upon in writing as International Agreements. Such agreements will include the specific activities to be conducted, responsibilities of cooperating Parties, allocation of time and resources required,

implementation procedures, and other details as necessary. The College of Chinese Medicine at CMU and the Faculty of Traditional Medicine at Can Tho University of Medicine and Pharmacy agree that they will be free to participate in projects acting either individually or collectively.

Article IV. Cooperation with Third Parties

The College of Chinese Medicine at CMU and the Faculty of Traditional Medicine at Can Tho University of Medicine and Pharmacy may identify other agencies or institutions for joint participation in mutually agreed-upon projects and activities, which will be defined in writing for mutual agreement. The College of Chinese Medicine in CMU or The Faculty of Traditional Medicine in Can Tho University of Medicine and Pharmacy may individually execute cooperative and collaborative research, education and training, economic development, and other activities with other organizations, independent of this MOU and each other.

Article V. Support and Resources

This MOU does not obligate either the College of Chinese Medicine at CMU or the Faculty of Traditional Medicine at Can Tho University of Medicine and Pharmacy to provide funds and/or other resources from its own or other sources unless agreed to in writing. The College of Chinese Medicine at CMU and the Faculty of Traditional Medicine at Can Tho University of Medicine and Pharmacy may jointly or individually seek funding and other support from third parties for the conduct of collaborative projects, programs, and/or activities. Neither institution (The College of Chinese Medicine in CMU nor The Faculty of Traditional Medicine in Can Tho University of Medicine and Pharmacy) accepts any liability for accidents, injury, or death occurring to student or faculty participants during the term of this agreement nor any liability for debts or damages, including against loss or damage to any personal property, incurred by participants during the period of the agreement.
